

PRESS RELEASE

FRANCESCA CAMPANELLI IS APPOINTED HEAD OF PRODUCT DEVELOPMENT IN QUAESTIO CAPITAL MANAGEMENT

Milan, 4 September 2017 – Quaestio Capital Management SGR has appointed Francesca Campanelli as Head of Product Development, reporting directly to Massimo Tosato, Chief Executive Officer.

In her role Francesca Campanelli will mainly be involved in developing product strategies and promoting and coordinating the launch of new funds and investment initiatives for institutional and wholesale clients, in particular in the multi-assets and private assets sectors where the company plans to achieve significant growth over the next few years, after developing a leadership position in Italy in structuring and in investment in the securitizations of NPLs, UTPs and leases.

“Francesca’s appointment”, Massimo Tosato explained, “represents a significant strengthening of management for Quaestio as a means of providing an increasingly positive response to our clients’ needs by dealing with the rapid evolution of the liquid and non-liquid asset management markets”.

Francesca Campanelli has over 17 years of experience working in the asset management sector in international companies, most recently as country manager in charge of Italy in Muzinich & Co, a global investment company specializing in the private and public corporate credit sector. She previously worked for BlackRock as senior sales manager and for Allianz Global Investors as portfolio manager.

Quaestio Holding operates in the asset management sector with regulated activities in Italy and Luxembourg, focussed on an institutional client base, with approximately 10 billion Euros under management. The company is held by a number of leading financial institutions which include Fondazione Cariplo and Cassa Italiana di Previdenza ed Assistenza dei Geometri Liberi Professionisti, and a relevant stake held by senior management. The group operates with a global perspective, identifying and managing the best investment ideas in the world’s main markets. Quaestio holds a 100% stake in Quaestio Capital Management SGR SpA (“Quaestio SGR”), which has developed important management skills in liquid and illiquid markets, via mandates conducted directly and indirectly via an innovative multi-assets and multi-managers platform, with UCITS and FIA funds which use 31 managers chosen from the best international operators. In the sector of illiquid investments, the SGR has developed a leadership position in structuring and investing in securitisation transactions in NPLs, UTPs and leasing assets.
